Ask a doctor before use on children under 2 years of age.	
When using this product avoid contact with the eyes.	
Stop use and ask a doctor if ■ irritation occurs ■ there is no improvement within 4 weeks.	
Keep out of reach of children. If swallowed, get medical help or contact a poison control center right away.	
Directions	
■ Read all package directions and warnings before using. ■ Use only as directed. ■ Clean the affected area with soap and warm water and dry thoroughly. ■ Apply a thin layer of FUNGICURE Liquid over the affected area twice daily (morning and night), or as directed by a doctor. ■ This product is not effective on scalp or nails. ■ For athlete's foot, pay special attention to spaces between toes; wear well fitting, ventilated shoes, and change shoes and socks at least once daily. ■ For athlete's foot and ringworm, use daily for 4 weeks. If condition persists longer consult a doctor. ■ Intended for use by normally healthy adults only. ■ Persons under 18 years of age or those with highly sensitive or allergic skin should use only as directed by a doctor. ■ Supervise children in the use of this product.	
Other information ■ FUNGICURE may be applied to cuticles, around nail edges and under nail tips where reachable with its applicator brush. This product is not intended to, nor will it, penetrate hard intact nail surfaces. ■ While not all finger and toe fungal infections are curable with OTC topical medications, if you see improvement within 4 weeks, you may continue to use FUNGICURE until satisfactory results are obtained. ■ You may report serious side effects to the phone number provided under <i>Questions?</i> below.	
Inactive ingredients Aloe vera gel, fragrance, hypromellose, isopropyl alcohol (70% v/v), purified water and vitamin E.
