

PSORIASIN Gel

UPC #'s: 0-72959-66021-5

What are the directions for PSORIASIN Gel?

Apply (gently massage in) a small amount of **PSORIASIN Gel** to affected areas. Apply 1 to 4 times daily or as directed by a doctor. Be sure to read all product package label Directions, Uses and Warnings and follow them carefully.

Why do the directions for PSORIASIN Gel say "to test on a few strands of hair before broader application"?

Coal tar, the active ingredient in **PSORIASIN Gel**, may affect very light hair color. We recommend testing on a few strands before applying to larger areas where hair is present.

What is the active ingredient in PSORIASIN Gel?

PSORIASIN Gel contains 1.25% coal tar.

Why is there a warning about this product containing chemicals known to the State of California to cause cancer?

This warning refers to coal tar, the active ingredient in **PSORIASIN Gel**, and is a requirement of the State of California; however an expert advisory panel of the US FDA has recognized the active ingredient in **PSORIASIN Gel** to be safe and effective when used as directed. The FDA does not share the opinion of the State of California that this warning should be present.
