

ULTRA-FIBER Balanced Formula Caplets

UPC #'s: 0-72959-48063-9

Is ULTRA-FIBER Balanced Formula gluten-free?

ULTRA-FIBER Balanced Formula caplets would qualify for the description of gluten-free as proposed by the FDA in that they do not contain any ingredients from wheat, rye or barley and they contain less than 20 ppm gluten, as tested by a qualified independent laboratory.

Does ULTRA-FIBER Balanced Formula contain grapefruit?

No, **ULTRA-FIBER Balanced Formula** does not contain any grapefruit or grapefruit juice. It contains citrus fiber from oranges.

What are the main ingredients in ULTRA-FIBER Balanced Formula?

Each **ULTRA-FIBER Balanced Formula** caplet contains approximately 375 mg insoluble fiber and 375 mg soluble fiber from a variety of natural plant ingredients.

What is the expiration date for ULTRA-FIBER Caplets?

Because **ULTRA-FIBER Caplets** is a dietary supplement, it is not required to carry an expiration date. However, we do monitor the physical integrity of the product for five years following the date of manufacture. If you would like to contact us and provide us with the lot number, we can tell you when the lot was manufactured.

What is the dosage for ULTRA-FIBER Balanced Formula?

The dosage for **ULTRA-FIBER Balanced Formula** is 2-4 caplets with a full glass of water before or with meals, 3 times daily. Be sure to read all product package label Directions, Uses and Warnings and follow them carefully.
